

POLISHERS THAT BRING OUT THE **ARTIST** IN YOU

No matter what material you are using, MEISINGER has the polishers to help you turn your prosthesis into a work of art.

MEISINGER Polishers guarantee a refined, precise, vibration-free performance on all restorations. From challenging contouring to high-gloss polishing, you can rely on our polisher's premium components to produce flawless results. After all, an artist never settles for less than perfection.

- Enhance your artistic talent and detailed results with high-quality, flexible polishers
- Create a brilliant, natural luster with minimal heat production
- Polishers are available in a wide variety of shapes, sizes, and grits to adapt to any restoration
- Made in Germany
